## Catholic Schools Week

Over the past week parishes throughout the country have celebrated Catholic Schools Week. The week has given everyone involved in Catholic education and opportunity to acknowledge and celebrate the contribution that our Catholic schools make to Irish life. In a society that is growing more secular, parents and families are asked to take time to reflect on what it means to have your child as part of a Catholic school community, and to consider how you can support the work being done in your child's Catholic school. The children, parents, grandparents, families and the wider community are invited to a special Mass at 11.30 am in St. Mary's Church, Drumlish on Tuesday, 4th February to celebrate our Catholic School as a place of faith and learning.

## A little Story

*While working in the garden with his father, a small boy failed miserably in his attempts to lift a heavy stone. His father, who was closely observing him, finally said, "Are you sure you are using all your strength?" "Yes, I am!" the boy cried. "No, you're not," said the father. "You haven't asked me to help you."*

## The Catholic School

- Has at its heart the mission and ministry of Jesus Christ.
- Builds an environment of care and concern for others that is rooted in Catholic social teaching.
- Creates a safe and happy learning environment where every child is encouraged and enabled to develop to their full and unique potential as human beings, made in the image and likeness of God.
- Seeks educational excellence while remaining faithful to its distinctive vision and approach.
- Is an inclusive and respectful community, welcoming students of all denominations and of none.
- Acknowledges the role of parents as the first teachers in the ways of faith and provides opportunities for their participation in the life of the school.
- Works in partnership with parents and the parish community to keep the light of faith burning brightly.
- Provides religious education programmes that confirm and deepen the child's understanding of the Catholic faith so that every child will be as articulate in their faith as they are in all other areas of the curriculum.
- Nurtures the child's appreciation & understanding of the sacramental life of the Church.
- Displays the symbols of our Catholic faith tradition.
- Spends time as a school community in reflection, prayer, ritual, celebrating the Eucharist and other sacraments in order to develop the spiritual life of each person in the school community.
