Musings

Reflecting on the Gospel brings home the reality of The Trinity and is so powerful in emphasising the unity of Christ's followers in the name of Father, Son and Holy Spirit. Many years ago, my parents taught me how to make The Sign of The Cross and at my Dublin national school this was reinforced where I was taught to make The Sign of the Cross when passing a Church and when seeing a hearse go by. How beautiful and uplifting it is to witness today's young Catholics continue to engage in this simple and yet powerful ritual. As a grandparent, I delight when I see my youngest grandchildren in their first attempts to copy their parents making this great sign of faith. How lovely it is to, witness the youngest member of the family begin family meals by leading the grace before meals.

Dew of Quietness

*Drop thy still dew of quietness
Fill all our strivings cease;
Take from our souls the strain and stress,
And let our ordered lives confess
The beauty of Thy peace.*
