World Communications Day

As well as the feast of the Ascension, today is World Communications Day 2016. This year's theme is 'Communication and Mercy: A Fruitful Encounter'. The theme was chosen to coincide with the Holy Year of Mercy called by Pope Francis to highlight the mercy of God. In his message for the 50th World Communications Day, Pope Francis talks about how our every word and gesture should express God's compassion, tenderness and forgiveness. *'If our hearts and actions are inspired by charity, by divine love, then our communication will be touched by God's own power. I would like to invite all people of good will to rediscover the power of mercy to heal wounded relationships and to restore peace and harmony to families and communities.'*
He also highlights the importance of technology and social media as tools of communication, which must be used responsibly. *'The digital world is a public square, a meeting-place where we can either encourage or demean one another, engage in a meaningful discussion or unfair attacks. The internet can be used wisely to build a society which is healthy and open to sharing.'*

The Art of Communication

*In the house of Mr and Mrs Spouse
He and she would watch TV
And never a word
Between them was spoken
Until the day
The set was broken.
Then, "How do you do?"
Said He to She;
I don't believe we've met."
"Spouse is my name.
What's yours?" he asked
"Why mine's the same!"
Said She to He.
"Do you suppose we could be...."
But the set came suddenly right about
And they never did find out.*

Pastoral Care of the Sick

If there are people from the parish who are sick in hospital, could you please let us know. It may not be possible always to visit them in hospital, but if we don't know it is certainly impossible. Thank you.

Happy moments,
Praise God.
Difficult moments,
Seek God.
Quiet moments,
Worship God.
Painful moments,
Trust God.
Every moment,
Thank God.
