MEANING OF LIFE 1!

Life's but a walking shadow,
a poor player
That struts and frets his
hour upon the stage
And then is heard no more:
it is a tale
Told by an idiot, full of
sound and fury,
Signifying nothing.
(William Shakespeare)

MEANING OF LIFE 2!

If we want to discover true wealth, if we want to find something that remains in a world that is always changing, if we want a place where we will be given true rest, it is in the Lord. When ever we come to church, he is here always awaiting us in the Eucharist; the spaces we make for him will give direction to our days and the values we follow of his will give meaning to our lives. Let us make our treasure there, for if we do, then our hearts will follow and be restful.

Little Things

*Hearts good and true
have wishes few,
in narrow circles bounded;
and hope that lives
on what God gives
is Christian hope well founded.
Small things are best,
grief and unrest
to rank and wealth are given;
but 'little things'
on 'little wings'
bear little souls to heaven*
