Beatitudes of Life

*Blessed are the faithful:
they are like safe anchors in a world of broken moorings.*
*Blessed are the just:
they are to society what leaven is to bread.*
*Blessed are the generous:
they keep alive our faith in the essential goodness of people.*
*Blessed are the caring:
they shine like beacons in a world darkened by indifference.*
*Blessed are the genuine:
they glow like gems in a world of falseness.*
*Blessed are they who are not afraid of sacrifice:
on the day of the harvest they will sing for joy.*
*And blessed are those who refuse to look back:
they will be found worthy of the Kingdom of Heaven*
