Good Salt!

If you sit down at set of sun
And count the acts that you have done,
And counting find
One self-denying deed, one word
That eased the heart of him who heard;
One glance most kind,
That fell like sunshine where it went—
Then you may count that day well spent.

G. Eliot

An Eco Prayer

O God, how great and beautiful is all of your creation—from the smallest insect to the largest mammal! You, God, have created for us a most magnificent world. We praise you and thank you for our universe. We promise to take care of your world by making responsible choices that will allow its balance and beauty to continue. We make this prayer through Jesus' name.
