Nationwide appeal for aid to help East African famine victims

With severe drought gripping many parts of East Africa, millions of people are facing starvation in the coming months. The severity and scale of the crisis is unprecedented in recent decades. Combined conflict and drought has left almost 25 million people in East Africa requiring immediate emergency aid. The two worst countries in the region are Somalia and South Sudan, but parts of Ethiopia and Kenya are also badly hit. Trócaire has teams working in all four affected countries—bringing emergency food aid into the worst-hit communities.
Ethiopia: 20,000 people are receiving emergency aid
Kenya: 40,000 will be supported with food baskets
Somalia: 19,000 people are being treated in health centres each month
South Sudan: 25,000 men, women and children are receiving monthly food rations.

Prayer attributed to St. Teresa of Calcutta or more likely to her Order of the Missionaries of Charity which she founded:

Lord, when I am hungry,
give me someone in need of food;
when I am thirsty,
send me someone needing a drink;
when I am cold,
send me someone to warm;
when I am grieved,
offer me someone to console;
when my cross grows heavy,
let me share another's cross;
when I think only of myself,
draw my thoughts to another.
