Reflection

On this thirteenth Sunday of the Church's ordinary time we celebrate the Lord who gives life. God created us to live and, it is his desire and intention that we prosper in health of body and mind. So, "death" is totally opposed to God the author of life. It is the plan of God for us to prosper both in body and soul, but we must be patient and walk into this plan in faith. We have a role to play in the plan of God towards others. While Christ seeks our welfare every day, we too must constantly seek the welfare of others.

Safeguarding Message from Bishop Francis

Copies of the Safeguarding Message from Bishop Francis are available at the back of our churches. One of the key areas of concern is online safety in relation to social media. It is important to keep ourselves updated. Please take home a copy of Bishop Francis' newsletter which includes important guidelines and information. A reminder again that our two parish safeguarding representatives are Fiona O'Toole and Siobhan Coppinger.

The Lifeline STILL HOLDS!

Jesus has made a way
to the Father.
He is the Lifeline
between you and God.
He is the Lifeline to the peace
your soul cries out for.

When war wages within you,
when turmoil surrounds you,
Jesus is your **LIFELINE!**

For He is the Maker,
the Giver of Life,
the Christ, and
the **ONLY** Light to follow.

You can overcome
the turmoils of the day
by holding onto Jesus.

He is the lifeline that

STILL HOLDS !
