My Neighbour....

“You can sit with us.
You can live beside us.
You can play your music.
You can listen to mine.
We can dance together.
We can share our food.
We can keep an eye on each other's kids.
We can teach each other new languages.
We can respect traditions.
We can build new ones.
You can ask for a cup of sugar.
You can ask for directions.
You can tell me when things are hard.
You can tell me when beautiful things happen.
We can listen to stories.
We can disagree.
We can agree.
We can come to understandings.
You can wear what you want.
You can pray as you feel compelled to.
You can love who you want.
You can sit with us.”

World Meeting of Families Appeal

I write to thank you, and your parishioners, for your generous response to the recent church collections which enabled the successful hosting of the World Meeting of Families in August, which included the historic visit of Pope Francis to our country. The response of those attending the liturgical and cultural events – including from the 11,000 pilgrims who came from abroad – reflected a truly wonderful once-in-a-lifetime faith experience. The media broadcasts of WMOF benefited millions, nationally and internationally, who followed the intensive schedule of the Holy Father on radio, television and social media. The overall cost to the Church in Ireland for hosting WMOF comes to €19.4m. To date €15.4m has been raised by way of local church collections and by other donations. This leaves us with a deficit of €4m. In order to help defray this debt I am asking you, once again, for your support in promoting our fifth national collection which will take place in churches, North and South, over the weekend of 10 and 11 November. While I am acutely conscious of the many financial demands facing families and parishes at this time, all support offered would be greatly appreciated.

+ Francis Dufffy
