Well done to Ballinamuck N.S.

5th and 6th class pupils from St. Patrick's National School Ballinamuck would like to thank everyone who attended and baked for our annual Cake Sale on 22nd October. It was a great success as always. Monies raised by the Raffle and cake sale amounted to €1320. This year we will be donating to Ballinamuck Defibrillator, Longford Palliative Care and Maths Resources for the school .

Parking at St. Mary's Church

Over the past number of months there has been a growing problem with parking in the grounds of St. Mary's Church during the Saturday/ Sunday Masses. For health and safety reasons, I ask you to reserve the parking spaces at St. Mary's Church for those who have health issues or suffer from a disability. In the event of an emergency there should be adequate space for appropriate emergency services to access and exit from the Church and church grounds. Thank you for your cooperation and sensitivity.

Death

Pray for the repose of the soul of James Murphy, London and late of Gaigue whose funeral took place this week. May he rest in peace.

The Miser

A notorious miser was called on by the chairman of the community charity. "Sir," said the fundraiser, "our records show that despite your wealth, you've never once given to our drive." "Do your records show that I have an elderly mother who was left penniless when my father died? fumed the tightwad. "Do your records show that I have a disabled brother who is unable to work? Do your records show I have a widowed sister with small children who can barely make ends meet?" "No, sir," replied the embarrassed volunteer. "Our records don't show those things." "Well, I don't give to any of them, so why should I give anything to you?"
