## Something To Think About!

- If you woke up this morning with more health than illness...you are more blessed than the million who will not survive this week.
- If you have never experienced the danger of battle, the loneliness of imprisonment, the agony of torture, the pangs of starvation...you are ahead of 500 million people in the world.
- If you can attend a church liturgy without fear of harassment, arrest, torture or death...you are more blessed than 3 billion people in the world.
- If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep... you are richer than 75% of this world.
- If you have money in the bank, in your wallet, and loose coins in a dish somewhere... you are among the top 8% of the world’s wealthy.
- If you can read this message...you are more blessed than over two billion people in the world who cannot read at all.
- All-powerful and ever-living God, direct your love that is within us, that our efforts in the name of your Son may bring mankind to unity and peace.
