## Worth Reflection

Things that will destroy us  
• Politics without principle,  
• pleasure without conscience,  
• wealth without work,  
• knowledge without character,  
• business without morality,  
• science without humanity,  
• worship without sacrifice.

## Marriage

Congratulations and best wishes to Elaine Collum & Paul Gilroy, Barraghmore, who were married in El Salvador Church, Nerja, Spain recently.

*Hope is not the closing of your eyes to the difficulty,  
the risk or the failure.  
It is a trust that if I fail now, I shall not fail for ever;  
and if I am hurt, I shall be healed.  
It is a trust that life is good, and love is powerful.*

## Glamour is not Greatness

*Let it never be forgotten that glamour is not greatness; applause is not fame; prominence is not eminence. The man of the hour is not apt to be the man of the ages. A stone may sparkle, but that does not make it a diamond; people may have money, but that does not make them a success.*

*It is what the unimportant people do that really counts and determines the course of history. The greatest forces in the universe are never spectacular. Summer showers are more effective than hurricanes, but they get no publicity. The world would soon die but for the fidelity, loyalty, and consecration of those whose names are unhonoured and unsung.*
