Altar Serving

The young people from the N.S. who wish to
serve at Masses are required to fill in a form and
have it counter signed by their parents. Also, in
keeping with best practice and following our
child protection policy it is required that a
second adult be present at all times when
children are present. For this reason, I am
asking the parents of the children who wish to
serve to make themselves available to go on a
roster to help with the vesting and supervising of
the children before Mass begins. If there are
other adults who might like to help in this area,
they too could be incorporated into the system.

Alzheimer's Society

The Longford Branch hold their Church Gate
Collection on Sat/Sun 22nd/23rd September.
Your support greatly appreciated.

Thanks

Many thanks to all who turned out in such large
numbers for the Remembrance Mass in

special thanks to all for their good wishes, cards
and gifts. We wish Fr. Jim ad multos annos in
his retirement.

Catholic Schools Partnership

Please pick up a leaflet on your way home and
read it. What type of school do we want in the
future—state only, educate together, church
managed? Should faith and religious ethos have
a role in the school of the future? Read leaflet.

*Be Christ's cross on your new dwelling,
Be Christ's cross on your new hearth,
Be Christ's cross on your new abode,
upon your new fire blazing.
Be Christ's cross on your means and
portion,
Be Christ's cross on your kin and people,
Be Christ's cross on you each light and
darkness,
Each day and each night of your lives,
Each day and each night of your lives.*
