Real Treasure!

In today's Gospel story Jesus is asked to settle an inheritance case. He cautions his listeners against any kind of greed. He tells them that their lives are not made secure by what they own. They must grow into a true sense of values and recognise that their real life cannot be measured in terms of material possessions. Jesus, how patient you are with us as we struggle with our earthly desires. We want more and yet more. We look with envy on what others seem to have - better homes, better jobs, better ways of living. Help us instead to be grateful for what we have, for your goodness to us, and for who we are as children of God.
