### I Dream A World

By Langston Hughes

I dream a world where man  
No other man will scorn,  
Where love will bless the earth  
And peace its paths adorn  
I dream a world where all  
Will know sweet freedom's way,  
Where greed no longer saps the soul  
Nor avarice blights our day.  
A world I dream where black or white,  
Whatever race you be,  
Will share the bounties of the earth  
And every man is free,  
Where wretchedness will hang its head  
And joy, like a pearl,  
Attends the needs of all mankind-  
Of such I dream, my world!

The Burning Bush

### Listen to the Voice of Creation

SEASON OF CREATION 2022

Continuing with this month's dedication to the theme of 'Season of Creation' the following poem by Rob Bell is another opportunity to reflect on our care of the earth:

#### Walk, Don't Run

By Rob Bell

Walk, don't run.  
That's it. Walk, don't run.  
Slow down, breathe deeply,  
and open your eyes because there's a whole world right here within this one.  
The bush doesn't suddenly catch on fire,  
it's been burning the whole time.  
Moses is simply moving slowly enough to see it.  
And when he does, he takes off his sandals.  
Not because the ground has suddenly become holy,  
but because he's just now becoming aware that the ground has been holy the whole time.  
Efficiency is not God's highest goal for your life,  
neither is busyness,  
or how many things you can get done in one day,  
or speed, or even success.  
But walking, which leads to seeing,  
now that's something.  
That's the invitation for every one of us today,  
and every day, in every conversation, interaction,  
event, and moment:  
to walk, not run.  
And in doing so,  
to see a whole world right here within this one.

### Social Justice Defined

“ Social justice generally refers to the idea of creating an egalitarian society or institution that is based on the principles of equality and solidarity, that understands and values human rights, and that recognizes the dignity of every human being. ”

Education and Social Justice, J. Zujka, S. Maharovich

Includes topics such as poverty, discrimination, racism, injustice, civil rights, and humanitarian issues, among others.

### Catholic Social Justice Principles

- ✚ Uphold the dignity of each person as an equally valuable member of the human family
- ✚ Embrace our right and responsibility to participate with others in our shared public life
- ✚ Be in solidarity with those who are living in poverty in the struggle against structures of injustice
- ✚ Bridge divisions, rising above individual interest for the good of the whole community
- ✚ Unite with workers to build an economy that puts people, not profit, at the centre
- ✚ Nurture the earth, recognizing that we are interdependent with the rest of God's creation

### What social justice actually is
