An Attitude of Gratitude

Jews and Samaritans didn't mix, they avoided each other. These ten lepers call from a distance for healing. Jesus responds to all of them without making any distinction and they all receive healing. However, only one returns and gives thanks to Jesus, and he was a Samaritan. God's message to us can often come through unlikely people. Often I can ask God for my needs but can forget to give thanks. To give thanks completes the circle, and I am enriched by doing it. I ask the Lord to teach me to practice gratitude. I review my day during this prayer with a grateful heart.

Diocesan Assembly

Subsequent to the Diocesan Assembly the Steering Committee (renamed Interim Diocesan Pastoral Council) met a number of times to implement some of the goals of the Assembly. A number of delegates kindly volunteered to assist. A meeting was held on Mon Sept. 19th last at which three groups were set up to advance outreach to youth, family and lay formation. We wish the groups and the interim Diocesan Pastoral Council well as they try to impellent some of the fruits of the Assembly process.

Life through the Lens of the Gospel

The cure of the lepers is not just a physical cure, it also brought the people healed back from exclusion into the community. Perhaps you have experienced the movement from exclusion to inclusion. Some people work hard at breaking down barriers in society, seeking inclusion for those who find themselves labelled as lepers by society. When we do good for another we may not do it for the thanks we hope to get, but it can hurt when no gratitude is shown. Sometimes it is those closest to us who can take us for granted.

Best of Luck

Wishing Fr. Manning Gaels team and mentors the best of luck in their tussle with Ballymahon in the Intermediate County Final this Sunday. It's a great achievement to reach a final, reflecting the hard work and commitment of all involved. It's a proud day for our Parish of Drumlish & Ballinamuck.
