Some thoughts on today's scripture

"Truly, you are the Son of God". The conclusion in this passage is that Jesus can be found in the boat but can also be found when we are ready to leave the shelter of the boat to find him in the "world", There is never any need for fear and anxiety, for Jesus is always close to us and, no matter what may be happening in and around us, his peace is there for us to share. When Jesus got into the boat the winds ceased. The experience of Peter gives encouragement to us when we waver in our trust and belief in God. In his doubt and fear Jesus reached out to him.

God grant me the Serenity to accept the things I cannot change, the Courage to change the things that I can, and the Wisdom to know the difference.
