### School's New Boards of Management

The new Primary School Boards of Management are now in the process of being formed. Thanks to the outgoing Boards for their help, support and commitment over the past four years. **The board's main function is to manage the school on behalf of the patron and for the benefit of the students and to provide an appropriate education for each.** The Board of Management is constituted as follows for schools having a recognised staff of more than one teacher:

- Two direct nominees of the Patron.
- Two parents of children enrolled in the school (one being a mother, the other a father, elected by the general body of parents of children enrolled in the school). (Note: To ensure the widest possible representation, where practicable, parents should be from separate families and bear no relationship to any other member of the board),
- The Principal Teacher (or Acting Principal Teacher) of the school.
- One other teacher on the staff of the school, elected by vote of the teaching staff, including the Principal Teacher.
- Two extra members proposed by those nominees
