Ballinamuck NS after-school

The Board of Management of Ballinamuck NS are looking at a number of options to set up an after-school/homework club. One of the options is to set up a company with a Community Voluntary Management Committee to oversee the running of this afterschool service. The Board would like to know if there are community members interested in sitting on this committee and becoming involved in setting up this much needed after-school service for families in the area. You can register your interest by emailing ballinamuckns@gmail.com by Monday 15th April.

The Wilderness Journey of the Church

"None of us needs to be told how our Church is going through a wilderness time. Our faith calls us to trust that this is where the Spirit is leading us. Without discerning what God is doing in our own lives, and in the life of the Church, we remain outsiders to the mystery into which we have been called. (Archbishop Dermot Farrell—Mass of Chrism) .

Thank you to all who continue to journey with our faith family in this wilderness time. Out of the darkness of the tomb, the light of Christ shines and radiates hope. We journey in hope, lighting up the way for those who have fallen behind, not despondent but always aware that the Risen Lord walks by our side as he once did with the disciples on the Road to Emmaus. I invite all who walk in the 'wilderness time' to let the light and love of Christ lead you out from that wilderness into a deeper awareness of the all embracing love of the Risen Christ.
