### Prayer Reflection

Lord, we thank you for the various ways in which you reveal your presence to us:

There are times when we experience you as **Father** through teachers, community leaders, members of our family, spiritual guides to whom you have given authority in heaven and on earth, so that we feel empowered spiritually and can assume responsibility in our workplaces and in public life.

At other times we experience you as **Son**, through the great people you send us as companions. They do not talk down to us. When we fail in some great enterprise and have to start again, like the eleven disciples setting out disconsolately to return to Galilee, they come up and speak to us as fellow pilgrims who have themselves been defeated, so that they can tell us now to go out confidently and share our wisdom with all the nations.

At other times again, you are deep within us, like our breath, our **Spirit** so discreet that we do not even advert to your presence; but you are the source of life and energy, always with us, so that even when we feel lost and discouraged we can say, yes, you will be there till the end of that time.

Thank you that we have been baptized in the name of the **Father**, of the **Son** and of the **Holy Spirit**.

"The moment God is figured out with nice neat lines and definitions, we are no longer dealing with God."
