Trócaire Focus

Namaskar! My name is Ambika Paraja. (The little girl on the Trócaire Box) I am 9 years old. I have one brother who is 12 and one sister who is 5. I like playing with my brother and sister and I like going to school. My grandfather also lives with us in our house. Namaskar is a special greeting in the part of India that little Ambika is from. It means, oí bow to you. When we say it, we usually put our hands together and bow to the person we are saying it to. Maybe you could talk to your family and friends about this greeting. What do you think it means for Christians about how we should treat one another? Does it mean 'I respect you'? For Lent, what will you do to show respect and love to your family, friends and to your school mates? Maybe namaskar can inspire you to decide to do something different for this Lent.

Hope

Hope means to keep living amid desperation and to keep humming in the darkness. Hoping is knowing that there is love, it is trust in tomorrow it is falling asleep and waking again when the sun rises. In the midst of a gale at sea, it is to discover land. In the eyes of another it is to see that you are understood.... As long as there is still hope There will also be prayer.... And you will be held in God's hands.
