Trócaire translating the Gospel into action

Worsening storms and poor soil have caused crop yields to drop by over 50% in some regions. For farming families, this means more hunger and less income. (Ref: FAO, 2023). Across Rwanda, women do 70% of agricultural work, as men are more likely to seek paid work in cities or towns. When climate change strikes, it is the work of mothers and grandmothers which is affected. Last year, Trócaire worked with over 40,000 people in at-risk communities across Rwanda, helping vulnerable families build resilience against climate change by:

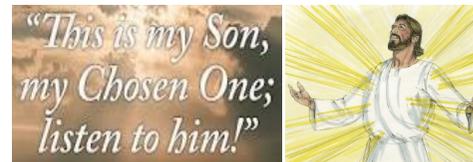

- Supporting over 2,500 women to receive training in sustainable resource management
- Providing over 20,000 families with fuel efficient cookstoves to reduce firewood use
- Planting over 320,000 trees across the country

Mission Awareness

Every year a different Religious Congregation is assigned to our Diocese to promote and speak about their particular Congregation. This year we welcome Br. Brian Johnson, OSF (Franciscan Brothers) who will speak at all Masses in this weekend. Their main work is in the area of education and rural development in places as in Kenya & Uganda.

Death

Pray for the repose of the soul of Joe Pat McLoughlin Shanmullagh whose funeral takes place after 1 p.m. Mass today in St. Patrick's Church, Ballinamuck. We extend sympathy and prayers to Joe Pat's family at this very sad time for them. May he rest in peace.

Lent—An Hour of Reflection

This programme will continue on the Wednesdays of Lent with prayer and reflection from 8 to 9 p.m. in the Parochial House, Drumlish. You are most welcome to share the Word of God in a prayerful and reflective atmosphere.

The Transfiguration

While he was still speaking, a bright cloud enveloped them, and a voice from the cloud said, "This is my Son, whom I love; with him I am well pleased. Listen to him!" Matthew 17:5 (NIV)
