## A Thought!

*I want to love you without clutching,  
appreciate you without judging,  
join you without invading,  
invite you without demanding,  
leave you without guilt,  
criticise you without blaming.  
If I can have the same from YOU,  
then we can truly meet and enrich  
each other.*

Virginia Satir

*"Martha!  
Martha! You  
worry and fret  
about so many  
things, and yet  
few are needed,  
indeed only  
one..."*

Love has a hem to its garment  
that touches the very dust;  
it can reach the stains of the streets and lanes  
and because it can, it must.
