**Some thoughts on today's scripture**

We are rarely asked for a cup of water. But the rewards promised by Jesus extend beyond individual almsgiving to those who work for others in a thousand hidden ways, for instance maintaining a city water system, or caring for public hygiene, as civil servants, plumbers, engineers, scientists, street-cleaners or parents of families. We live in a more complex society, but the same care and generosity are found in all walks of life, wherever people devote themselves to the service of others.

**Ministers of the Word & Holy Communion**

The rota for readers of the Word and ministers of Holy Communion for the remainder of the year can now be accessed on the parish web under Liturgy & Sacraments.

And whoever gives one of these little ones even a cup of cold water because he is a disciple, truly, I say to you,

**he will by no means lose his reward.**
