He is very near!

We may notice that Peter failed but we will see, too, that he always responded energetically and fully, risking everything. His faltering seems to have begun when he took his eyes off Jesus and realised that he couldn't rely just on himself.
Jesus made his way to the boat where the disciples were having some trouble. Intent on their own efforts, they did not realise he was there. I do what I can, as a disciple, but try not to forget that the one I follow is very near. *[Extract: Sacred Space—Irish Jesuits]*
